

Family farms - the basis of European agriculture

by the **MAGOSZ**

MAGOSZ

Hungarian Farmers' Association

The largest representative of Hungarian farmers

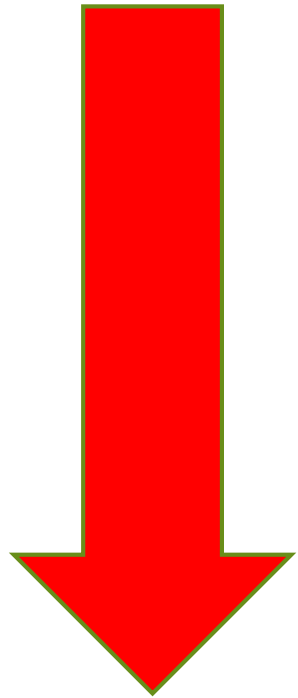

Special divisions: young farmers and ladies

Farmers' ownership, competitiveness

Reduction planned by the EC

- ▶ Pillar I. -16%
- ▶ Pillar II. -26%

REDISTRIBUTION

- ▶ COM: fairer distribution of support
- ▶ MAGOSZ:
 - smallholders' subvention (flat rate)
 - voluntarily for the Member State

DEGRESSIVITY and CAPPING

► Present in HUN:

- >150.000 € → 5%
- > 176.000€ → full deduction
- obligatory!

DEGRESSIVITY and CAPPING

► Suggestions:

coupled support → excluded

redistributive payments → excluded

labour cost deductible → discriminative

ECO-SCHEME

- ▶ Voluntary!
- ▶ Replace the stricter cross compliance

FAMILY FARMS in HUN

- ▶ More favourable taxation
- ▶ Low creditworthiness

FAMILY FARMS in HUN

Suggestions:

- ▶ Give it legal personality
- ▶ Become creditworthy
- ▶ Generational turnover

SUCCESSION

- ▶ Successor should be farmer!
- ▶ Minimum size of the land → indivisibility!
- ▶ Testament!
